

PRIZE STRUCTURE

The Monument Mile Classic - Friday 20 May 2022

ELITE RACES

We are delighted to announce the following generous prize structure for our two elite races.

- 1st Place in Senior Men's and Senior Women's Races: **£250**
- 2nd Place in Senior Men's and Senior Women's Races: **£150**
- 3rd Place in Senior Men's and Senior Women's Races: **£75**

Further, a bonus pot of **£250** is in place to be shared by all male athletes who break the male course record (3:59.36 from 2020) and **£250** to be shared by all female athletes who break the current female course record (4:44.87 from 2020).

SCOTTISH STUDENT CHAMPIONSHIPS - INDIVIDUAL

We are delighted that The Monument Mile Classic has been granted championship status by **Scottish Student Sport**, so medals will be provided to the top 3 finishers, both male and female, who are students at a Scottish University or College.

In addition, **Sportsshoes.com** have generously provided voucher prizes for our top 3 Scottish student athletes, male and female, to the following values:

- 1st Place Student Athlete (male and female): **£250 voucher**
- 2nd Place Student Athlete (male and female): **£150 voucher**
- 3rd Place Student Athlete (male and female): **£75 voucher**

In order to be eligible for the above, athletes must be currently matriculated at a Scottish Student Sport-affiliated member university or college.

Please note that there will be no separate dedicated student races, and all students will be graded across the races according to their ability, like all other athletes within the competition. The prizes will be awarded based on times recorded.

Please note that no student competitor will be awarded two prizes (e.g. if a student athlete takes gold in the elite race, they will be given the £250 cash, but they will not receive the £250 student prize voucher. They would, of course, receive the student gold medal).

SCOTTISH STUDENT CHAMPIONSHIPS - TEAMS

We are also introducing a mixed Scottish Student teams prize.

Each college or university team will comprise two male athletes and two female athletes. The team with the lowest cumulative combined time for their four athletes will win a crate of beer.

ELIGIBILITY

To be eligible for the Scottish Student Sport Championships, athletes must wear their university or college vest.

We are conscious that many of you will have entered the race before we were able to secure, and promote, Scottish Student Championship status. Therefore, for those athletes who have already entered for their club, but now wish to race for their university or college, we ask that these affected athletes send an e-mail to the Race Director, Michael Wright, advising that they wish to race for their college or university at the event, rather than for their club. They must do this by no later than 1st of May 2022, and the e-mail should be sent to michaelwardwright@hotmail.com
