

# ATS Summer Proms 3k Series

Athletics Trust Scotland is delighted to launch the Summer Proms 3k Series that will take place on the **first Wednesday every month at 7.00pm.**

The funds raised from the event will go towards supporting up and coming athletes who require much needed support to get them to the next level of the sport. Unfortunately, there are many athletes who have the potential to excel in athletics but may not fit into a certain category due to disability, mental health or growing up in poverty. This is where ATS intends on filling the gap, providing those who most need our support with the opportunity to reach the next level.

**All Races start at 7:00pm on the first Wednesday of each month**

**6th April, 4th May, 1st June, 6th July, 3rd August, 7th September**
