

STEPPING STONE 10k - Risk Assessment 2 - Date of the event : Saturday 17.06.2023

What are the Hazards	Who might be harmed	What are we doing	Any further actions required	Risk Rating High/Medium/Low
Straight after the start point at Stepping Stone, participants turn right into B892 with oncoming traffic	Runners & walkers	Signage in road to warn traffic. Participants told to follow pathway on RHS passing East Camp. Police car in attendance at start.	Advise participants to keep on the RHS of B892 all the way down to the telephone exchange and turn right using gravel track towards Charlie's Bistro.	Medium
Right turn into Muir of Aird	Runners & walkers	Signage at Market Stance to warn traffic of runners in the road travelling to the Muir of Aird turning		Medium
Dehydration	Runners & walkers	Water Station at the 5k marker on Muir of Aird section	Inform participants at briefing prior to start	Low
Runners turn right into B892 from Muir of Aird. Traffic is 2-way. Runners will need to cross the B892 in preparation for the left turn into Aird.	Runners & Walkers	Police will be on standby to direct traffic and move participants over to the left hand side of the B892. This will allow for next turn left into Aird. Sign on B892 saying race in progress prior to road exit, to warn motorists.	Coast Guard vehicles will be present front & back of the participants, providing safety features and give a presence to traffic.	High
Left Turn into Aird down to turnaround bollard and back to B892, turn left back onto B892	Runners & walkers	Participants will turn left onto the gravel path on left hand side of the road and follow this down towards the Zebra crossing.	Inform participants that they follow the gravel path on left hand side. Be aware of the last 30m before the Zebra is not on pathway. Use signage, "Keep on left side"	Medium

<p>Zebra Crossing on B892 between Columba Place and Tindill Road, used to cross onto the right hand side pavement before the right hand bend opposite the old school.</p>	<p>Runners & walkers</p>	<p>Cross over from LHS using Zebra crossing area prior to RH bend at the old school. On coming traffic warned. Police presence on the bend, and Zebra crossing area.</p>	<p>Advise participants before race start, stress importance to be on rhs before school bend. Stress that all participants must cross at the zebra crossing. Marshal and/or police present.</p>	<p>High</p>
<p>After the right hand bend at the old school participants will stay on the RHS footpaths passing numerous junctions such as Maclennans, Winfield Way, Garage, Petrol Station, Hospital, School and Tuzo Close.</p>	<p>Runners & Walkers</p>	<p>Runners will have to manage their own safe access across each junction paying particular attention at Winfield Way and the school because of the school railings and main road.</p>	<p>Advise participants before race start, stress importance to be on the footpaths and watch out for cars. Suitable signage at road junctions. Marshal present at Winfield Way. Be vigilant of cars moving from these junctions.</p>	<p>Medium</p>
<p>Injury to Runners & Walkers</p>	<p>Runners & Walkers</p>	<p>Coast Guard provide Presence in front and rear of race. C.G. inform Paramedics/ambulance if assistance is needed, and if they need to attend a serious incident off site. Police in attendance.</p>	<p>Entry form signed and declaring that the participant is medically fit and enters at their own risk. Remind all participants to take care and report to organisers if assistance is needed.</p>	<p>Medium</p>
<p>Other members of the public getting in the way of runners</p>	<p>Participants & members of the public</p>	<p>Banner on display at Stepping Stone informing general public of the forth coming event. Date of event in Am Paipear 2 weeks before.</p>	<p>Banner in place 2 weeks before along with posters displayed. Will be visible to passing traffic. Awareness signs on the B892 section on race day.</p>	<p>Low</p>
