PRESENTATIONS

INELIGIBLE ATHLETES

Athletes can only run once, any team with an athlete running a 2nd time will have the whole team removed from the results.

An entered athlete MUST not be substituted by a non-entered athlete at any time.

Non observance of the above leaves the whole field and the officials uninsured in the event of an accident, leaves the athlete at a health risk in the case of a wrong identification of the athlete, and makes the results invalid as an historic record.
