CONVENOR'S MESSAGE OF WELCOME

We are delighted to welcome everyone back to Falkirk for the 2023 – 24 Lindsays Scottish National Cross Country Championships. Having moved around various venues in Scotland the Championships have had a permanent home in historic Callendar Park since 2006. Throughout that time due to developments within the park the course has regularly changed to meet these challenges and help preserve the environment. The varied contours and surfaces including the old golf course and an area close to the Antonine Wall offers a wide variety of challenges for cross country running. Due to development work on a new Cycle Centre further small changes have been made this year. Our thanks as always go to Falkirk District Council and our course architects from Falkirk Victoria Harriers in setting out another challenging course for the athletes and spectacle for the many spectators here today.

This event has a long and successful history, The men's competition dates back to 1886 when it was first contested at Lanark Racecourse, while the inaugural women's event was at Hamilton Park Racecourse in 1932. A full history and results can be found at <http://www.salroadrunningandcrosscountrymedalists.co.uk/Archive/index.html>

Athletes from clubs across the length and breadth of Scotland contest today's races with individual and team competitions in a range of different age categories. The number of competitors continues to increase after the covid pandemic with more than 98 clubs and 2277 athletes entered to contest the medals and historic trophies today. Full details are provided within the programme.

Thanks are due to the many officials and volunteers whose preparation and planning make this event such a success. Our thanks must also go to leading law and property company Lindsays for their generous sponsorship. This is the tenth season of that support from Lindsays – and it is thus one of the longest sponsor partnerships across Scottish sport. We're delighted clubs engage via the Lindsays Trophy which this year moved to a league format of three divisions

During and after the event there should be lots of social media content across a number of platforms as well as roving commentators giving continuous update on the race action. Look out for race highlights on the Scottish Athletics You Tube Channel and action photos of the event by Bobby Gavin across the Scottish Athletics channels but also via <https://www.thatonemoment.co.uk>

Finally, to all the athletes and spectators at Falkirk today please enjoy the challenge of the competition and have an excellent day out.

Mike Johnston
