### **Declarations**

Declarations closes **60mins prior to event start time (75mins for pole vault)** and will be within the indoor warm up area.

Coaches and spectators are asked not to enter the declarations area unless necessary. Coaches may accompany athletes into the warm up area, but general spectators are asked to help us to limit the number of people within the busy warm up area by remaining outdoors or in the main stand.

Athletes must declare separately for each event they will participate in and ensure their name is circled on the entry list for **each** of their events. Athletes registering after an event has closed will not be allowed to compete.

Any athletes who qualify for a final on Sunday must re declare on Sunday morning.

Athletes competing on both days are required to declare separately on the morning of each day. Athletes must also **RETAIN** any numbers issued on Saturday for Sunday's events: new numbers **WILL NOT** be issued for Sunday's competition if you competed on Saturday.

### **Opening Hours:**

Saturday 0830-1550hrs / Sunday 0830-1430hrs

#### **Event Help Line**

Mobile No. **07718 526373** is available to athletes, coaches, officials or spectators for on the day enquiries, if required. If unanswered, a message should be left detailing name, issue and return contact telephone number. **If any athlete is running late for declarations, they should also call this number to declare by phone before declarations for their event closes.**

### **Warm Up**

Athletes will be able to access the indoor track prior to their event to complete their final preparations but must not base themselves in this area all day. This is to ensure safety and suitable space is available in the indoor area for all. A limited supply of hurdles and starting blocks will be available within the indoor warm up area, at the end furthest from the entrance.

There will be no designated outdoor warm up area. Athletes may use the space around the outside of the track, but warm up will not be permitted within the Competition Area i.e. the back straight will **not** be available for warming up. However, wheelchair and frame running athletes will be allowed to warm up on the track prior to reporting to Call Room.

### Call Room

The Call Room, located within the indoor track, will be accessed from the indoor warm up area. A separate Call Room Area for wheelchair and frame running athletes will be located outside within a **scottishathletics** gazebo near the base of the access ramp to the track.

### **CALL ROOM FINAL REPORTING TIMES (estimated, please check final call schedule)**

Track 25mins      Horizontal jumps 35mins      High jump 45mins      Pole vault 50mins  
Throws 35mins

At the Call Room Closing Time, athletes must report to the call room for checks prior to being escorted to the competition area. Only athletes are permitted within the Call Room space: coaches and supporters should return to the spectator areas when their athlete reports for their event. Assistants of para athletes may only access the Call Room if they have submitted an assistance request form in advance.

All athletes must report to the Call Room with the minimum amount of kit as reasonably possible. Personal equipment, including phones, music players and smart watches should not be brought into the Call Room. Bags will be checked and any of the above items will be removed. Items will be left at the athlete's own risk.

Vests, competitor numbers and spikes will be checked in the call room, and leg numbers distributed there. Athletes must compete in the colours of the club under which they entered, or a **current** National vest. This includes 2024 Joma Scotland vests and 2024 SSAA vests. Unattached athletes may compete in a plain vest, preferably white.

**If you are competing in a field and track event at the same time, it is extremely important that you notify Call Room when reporting in.**

### Track Events

If heats are not required on the day, track finals will be run at **HEAT time**.

No personal starting blocks will be permitted at this event. Stadium blocks will be provided at the relevant start areas. A start information system will be used at these championships (false start equipment), meaning that the use of starting blocks is mandatory for athletes in Senior sprint events. The use of starting blocks is not mandatory for U17 athletes, but will be available to those who wish to use them.

### Field Events

All athletes will receive 3 trials, with the top 8 athletes in each field event receiving a further 3 trials. Para athletes will be given 6 trials.

Competitors may use their own equipment provided it is "checked in" at declarations 60 minutes prior to event time and is passed by the Technical Team. Athletes should note UKA rule T32 (187) S2: competitors may use any implements provided for general use. An athlete shall not use another's implement without the owner's prior permission.

Pole Vault and High Jump starting heights and available Triple Jump boards are published on the final timetable.

### Qualifying Conditions

In all events, qualifying conditions for any subsequent rounds will be declared immediately prior to the start of the event. Please inform the Referee if you are not fit to continue in an event for which you have qualified or declared. You shall be excluded from further participation in any event if you qualify for an event in which you do not participate without giving a valid reason to the Referee (UK Athletics Rule 4). This rule applies to both track and field events.

### Presentations

Presentations will be conducted as soon as possible following the conclusion of each event and will be held on the podium within the facility. Track athletes must report directly to presentations immediately following the conclusion of their race. Field medallists will be escorted straight to presentations.

Para medals are awarded only in ambulant, wheelchair and frame running 100m and 400m events, and seated throws. Medals will be awarded in each gender using RAZA points.

### Prize Pot

A prize fund of £3000 will be awarded or shared between athletes who achieve or exceed identified performance standards at the Championships. Full details can be downloaded from the event fixture page.
