Competition Area and Access

UKA Rule TR6.1: The competition area is defined as the area where the competition is being staged and which has access restricted to the competing athletes and appropriate officials. At Ayrshire Athletics Arena, the Competition Area is made up of the whole of the in-field and all lanes of the track. Parents/coaches/spectators should remain behind the barriers on the home straight at all times. Mobile devices, such as phones and smart watches, will not be permitted within the competition areas.

Coaches and spectators are asked not to enter the declarations area unless necessary. Coaches may accompany athletes into the warm up area, but general spectators are asked to help us to limit the number of people within the busy warm up area by remaining outdoors or in the main stand.

Declarations

Declarations will be located within the indoor warm up area.

Opening Hours:

Saturday 11th May 0830-1445hrs / Sunday 12th May 0830-1405hrs

Event Closing Times:

60mins prior to Event Start Time

Athletes attempting to register after this time will not be granted permission to compete.

Competition Numbers:

Bib numbers will be issued at declarations. Numbers must not be folded, mutilated or concealed in any way.

Athletes must declare separately for each event they intend to participate in and ensure their name is circled on the entry list for all events.

****REMINDER – Athletes must declare on each day – Saturday for Saturday events and Sunday for Sunday events. Athletes must RETAIN any numbers issued on Saturday for Sunday****

Declarations Help Line:

Athletes who may be running late for declarations must contact mobile no. **07718 526373** to notify us of your expected arrival time. If unanswered, a message should be left detailing name, issue and return contact telephone/mobile number.

Warm Up Area

The indoor warm up area may be accessed by athletes for warm up / cool down, and by suitably qualified coaches only. The warm up track is not to be used as a social space, and must be kept clean and tidy at all times. Food must not be consumed within the indoor area. Athletes who are in the warm up area and not preparing for their event will be instructed to leave. Athletes should note that warming up will **NOT** be permitted within the Competition Area. i.e. the back straight will not be available for general warming up.

Athletes must adhere to the **one-way system** within the warm up area. This will be away from Declarations towards the Finish Line. Lanes 1 and 6 will be for walking only, with lanes 2-5 for warming up.

Hurdles athletes may be allowed to warm up within the competition area on Saturday and Sunday mornings and at lunch times, with the permission of Chief Officials.

Athlete Assembly

Athletes must report to Assembly prior to their event. Assembly will be located within the store room at the end of the indoor warm up area.

Track athletes must report to Assembly with the minimum amount of kit as reasonably possible. Personal equipment, including phones, music players and smart watches should not be brought into Assembly. Bags will be checked and any of the above items will be removed. Only sports top drinking bottles will be allowed in the Assembly Area.

Vests, competitor numbers and spikes will be checked in Assembly and leg numbers will be distributed there. Athletes must compete in the colours of the club under which they have entered, or a current national vest.

Approximate Assembly reporting times:

45 minutes for pole vault

35 minutes for high jump

30 minutes for horizontal jumps and throws

20 minutes for track events

Athletes must check the Assembly Schedule for confirmation of final reporting times. The timetable is very tight due to the large number of entries, and all athletes must listen for announcements throughout the day.

Qualifying conditions for any subsequent rounds will be communicated to athletes within the Assembly Area prior to the start of their event.

**** If an athlete is in a field and track event at the same time, it is extremely important that they notify Assembly when reporting in ****

Track Events

If heats are not required, track finals will be run at **HEAT time**.

Withdrawals

Please inform seeding/declarations if you are not fit to continue in an event for which you have declared. All athletes and coaches should be aware of UKA Rule TR4.4 regarding failure to participate. Athletes shall be excluded from further participation in any further event if they qualify for an event in which they do not participate without giving a valid reason to the Referee. This Rule applies to both Track & Field events.
